***Announcing a new journal:***

# **SYZGY**

## ***Journal of Alternative Religion and Culture***

Scholars of New Religious Movements (NRMs) have often discussed the need for a specialized journal in their field. In early 1992, the Center for Academic Publication will initiate such a periodical. In addition to the usual groups studied under the NRM label, the journal will publish articles on the New Age Movement, communal & Utopian groups, Identity groups, Spiritualism, New Thought, occultism, Neo-Paganism, astrology, UFO groups, and related phenomena. Scholars with interests in these areas are encouraged to submit papers and book reviews.

Concerning *articles*, address James R. Lewis, Center for Academic Publication, Stanford University Branch Box 5097, Stanford, CA 94309-5097, USA. Papers may be submitted in any major research language, though abstracts must be in English. Any standard footnoting style is acceptable.

Concerning *book reviews*, address Timothy Miller, University of Kansas, Religious Studies Department, Smith Hall, Lawrence, KS 66045-2164, USA.

Concerning *subscriptions* and *advertising*, address the Center for Academic Publication, Stanford University Branch Box 5097, Stanford, CA 94309-5097, USA. *SYZGY* relies on subscriptions as its primary financial support. The price of the journal for individuals will be \$30 annually, two years for \$55 (add \$3 per year outside the U.S. and Canada). **To encourage pre-publication subscriptions, individuals subscribing BEFORE December 31, 1991 will be able to do so for \$25 annually, two years for \$45.** Institutional subscriptions will be \$40 annually (add \$3 per year outside the U.S. and Canada). Please request that your institution's library carry *SYZGY*. Although slated to appear as a quarterly, funding considerations may dictate that Volume One appear as two double issues.
